IT WAS A GREAT SHOW

Thanks to everyone who contributed to the success of our spring ice show – whether as a participant, a volunteer or a fan in the stands. Don Thureau and Maria Hurd took many fabulous pictures, and the videographer did a great job each night. If you are interested in viewing or purchasing pictures, or in ordering a video of the show, please see the Club's web site for details.

Also, please support our show sponsors – they are listed on the Club's web site.

FROM SNOW TO RAIN

The extreme weather conditions during the past several months have been unkind to the parking lot at the Club. We recently had some patching done on the worst spots in the lot. Let's hope for kinder, gentler weather in the months ahead!

TESTS PASSED

Here is an alphabetical list of Club members who passed freestyle, moves and dance tests in April 2011. Congratulations to all!

Lindsay Foster – Preliminary Moves
Daniel Leeds – Senior Freestyle
Kaitlyn Moshang – Preliminary Moves
Ingrid Rempe – Pre-Juvenile Pair
Nicholas Taylor - Rumba

SUMMER IS COMING

The regular ice schedule will change for the summer, starting on Monday, June 13th. The Rules and Ice Committee is finalizing the summer schedule, which will be released soon. A new summer program is being offered for lower level skaters. Please see the Club's web site for additional details.

THANKS FOR THE MEMORIES

Reyna, Marcus, Megan and Nicholas will continue to skate at our Club. Reyna, who graduated from high school a year early, will also be volunteering at the A.I. duPont Hospital for Children. Marcus is attending Harrisburg Area Community College, Megan will be attending Drexel University and Nicholas will be attending Rutgers, The State University of New Jersey – Camden.

Grace, Julia, Daniel, Melanie, Alyn, Kirsten, Kelsey and Austin will be heading to Rider University, Wake Forest University, the Fashion Institute of Design and Merchandising, Villanova University, Ithaca College, Dartmouth College, Duke University and The Pratt Institute, respectively.

We look forward to continuing to see Reyna, Marcus, Megan and Nicholas, and hope to see our other graduates at the rink when they are home on breaks.

Thanks to all these skaters for giving us some wonderful memories over the years.

SCHEDULE CHANGES

The regular ice schedule will change on numerous days in May due to freestyle, moves and dance tests, a hockey tournament over Memorial Day weekend, and the Memorial Day holiday itself. Please check the Club's web site regularly for up-to-date information on schedule changes.

As always, we hope to see you at the rink!
