

Announcing The Skating Club of Wilmington Scholars Award Program

The Skating Club of Wilmington, wishing to recognize those skaters who are training and competing for the club while maintaining excellence in their scholastic endeavors, announces the 2008 Skating Club of Wilmington's Scholars Award. There will be two levels of recognition: one for those earning a 3.0 or above grade point average; a second for those achieving a 3.5 or above grade point average in their coursework.

To be eligible for the award, the skater must:

1. be enrolled in an accredited middle school, high school, or college/university – this does not include cyber schools or home-school programs;
2. be a member of the Skating Club of Wilmington in good standing at the bronze (15 sessions per month) level;
3. maintain a (3.0) or above average for the semester prior to the one in which the award is presented; and
4. represent the Skating Club of Wilmington in competition or testing and have participated in at least one test session or competition during the current skating season (July 1 – June 30). Synchronized skating team members are eligible if they meet all the requirements.

Please complete the accompanying form by **June 1, 2008**, and place it along with the supporting documentation in the **Programmed Dance Committee** mailbox. The awards committee will verify the documentation to assure that the candidate meets the requirements.

Recipients will be recognized at the Annual Meeting, and receive a certificate suitable for framing. A list of awardees will be compiled for the Club's archives and a letter of congratulations will be sent to the recipient's school.

Final report card grades will be accepted up to **July 1, 2008**, and if the criteria are met for this award, a certificate will be sent by mail.

Skating Club of Wilmington Scholars Award Program Nomination Form

Please write or print legibly. If committee members can't read your writing, they cannot forward the nomination.

Name of Student _____

Name of Parent or Guardian _____
